Greetings Efik Community and Friends,

The 2nd Medical Mission to our beloved homeland will start in seven weeks! Medical supplies have already been shipped and travel arrangements are almost complete. Our thanks to the many volunteers who have already confirmed their spot on the mission. We appreciate your labor of love.

This year, the Medical Mission has 2 primary goals:

1) To exceed the number of Efik volunteers from the US. ***DONE!***

The outpouring of support is much appreciated! Discounted airline rates have been negotiated for all volunteers. Please contact Ms. Deanne Eyo Ita (deyoita@yahoo.com)

2) To exceed the number of patients seen during the 1st Medical Mission in 2011. ***FYI, the 2011 Team saw over 1,500 patients in 6 local government areas!***

Brothers and Sisters, we still need YOU! Here's how you can help:

A) Volunteer for the mission. Go to www.efikusa.org/2013-medical-mission. You can still complete the Volunteer form right from that page. It takes just 1 minute!

B) Donate generously to defray the costs of the Medical Mission. ENA-USA is a 501(c)(3) organization and your donation to this worthy cause is tax-deductible. Please mail checks to:

The Efik National Association USA Inc.
P.O.Box 38325

Dr. Felicia Bassey-Akamune (Medical Director)

Dr. Veronica Archibong (Lead Pharmacist)

Dr. Chris Effiong (Administrator)

Mr. Francis Ironbar (Secretary)
