Dear ENA-USA Community,

When a child is born, we welcome and celebrate the new arrival to the world around our families; conversely, when a new chapter is formed; we welcome and celebrate this great news with a Presidential Proclamation to the ENA USA family and our community at large.

It is therefore with a profound sense of pride and the vested authority as your National President, that I, Chief (Prince) Paul Orok Basse-Duke announce the newest chapter in the ENA-USA Consortium called (Nka Ima Obio, Reno/Lake Tahoe, Nevada) and proclaim that [August 18-24, 2013](#) will be "Nka Ima Obio Week". All stores and businesses in the vicinity of Reno/Lake Tahoe axis (A.K.A.) Calabar Road will be closed in anticipation of street festivities.

If you like to send a congratulatory message, please, contact Chief (Prof.) Rosemary I. Effiong; Secretary, Nka Ima Obio, Reno/Lake Tahoe, Nevada.
