

Moses Yomi & Associates, LLC

CERTIFIED PUBLIC ACCOUNTANTS

Accounting Services

We offer a complete range of accounting services, including receivables, payables, and payroll management. We prepare financial statements in accordance with Generally Accepted Accounting Principles (GAAP) for use by banks, investors, and other third parties. Our firm will also prepare custom financial reports for internal, managerial use.

Attest Services

We offer both limited and full scope attest services. We will gladly work with your bank or other financing institution to determine whether a limited review or full scope audit is necessary. We pledge to deliver cost-efficient attest services in accordance with your mandatory reporting deadlines.

Bookkeeping/Write-Up

We provide full-charge bookkeeping services, including general journal and subsidiary ledger maintenance, bank statement reconciliation, and receivables and payables tracking and analysis.

Tax Preparation Services

We offer full range of income tax preparation services all years. Our services included preparation of individual, business and non-profit organization taxes.

Cash Flow & Budgeting Analysis

We offer expert cash flow and budgeting analyses that can help you minimize cost overruns, lost purchase discounts, and uncollectable receivables. Many of our clients state that these value-added services are indispensable.

Compilation, Review, and Audit Services

We provide professional compilation, review, and audit services to businesses of all sizes. We can quickly compile your financial records into meaningful GAAP-compliant financial statements, offer limited-scope review testing, and can deliver complete audit attestation.

Financial Forecast and Projections

We provide complete financial and business forecasting services, including Performa projections. We will also customize -What If- planning scenarios to help management foresee and plan for unexpected business contingencies.

Financial Statements

We prepare professional, GAAP-compliant financial statements that can help business owners/managers eliminate inefficiency and realize a business's full profit potential.
