Greetings Efik Family,

The Medical Mission team is gearing up for the **2nd Medical Mission to Cross River State** sponsored by **The Efik National Association USA, Inc.** This year's Medical Mission is scheduled for **October 20-27.**

We are requesting that you consider volunteering for this worthy cause. While all healthcare professionals are invited to join the mission, you do not have to be in the healthcare field to join the team. Non-healthcare personnel play a very critical role in planning, logistics and registering patients during a medical mission. There will be lots of opportunities for everyone to contribute so be part of this team, if you can! We need all the help we can get!

As a reminder, the 1st Medical Mission to Cross River State in October 2011 was very successful primarily because it addressed the desperate need for quality healthcare in our home state. We continue to thank the 7 Efik volunteers from the US who teamed up with 18 counterparts to provide critical services during that mission. **Over 1,500 patients in 6 local government areas were seen during the 1st Medical Mission!** This year, ENA-USA's goal is to exceed the number of patients seen in 2011! We also want to see an increase in the number of Efik volunteers for the mission! Feel free to forward the attached flyer and help us spread the word.

To keep you informed of the planning efforts, the 2013 Medical Mission page is set up on our web site - www.efikusa.org/2013-medical-mission. *Guess what?* You can complete the Volunteer form right on that page! You can also volunteer by contacting:

Dr. Felicia Bassey-Akamune: 240.476.7796 (bmilestoneped@aol.com)
Dr. Chris Effiong: 731.514.1611 (effiongcb@aol.com)

Please, do not put off volunteering for this worthy and gratifying project. *Let's make a difference together!* Remember, "To whom much is given, much is expected." Help ENA-USA to help others in Cross River State! Eso song o!

Stay tuned...more to come on ENA-USA projects in the US and Cross River State.

See you in Stamford Connecticut for the 2013 ENA-USA Convention, July 25 -27! You don't want to miss this one!!

Warm regards,

Liz Ana Trimnell
Public/Community Relations, ENA-USA
