Subject: Thank You from your Efik National Association (ENA-USA)!

The Efik National Association USA Inc. (ENA-USA) thanks it's members and the entire Efik Community for their tremendous support through the years. Your partnership keeps us focused on our vision and values. As a community, we are establishing our collective legacy through the following efforts:

1. **College Scholarships** as an investment in our youth, our future
2. **Cultural Development** of our youth to give them a strong Efik identity
3. **Medical Missions** to Cross River State to respond to health/wellness needs at home
4. **Disaster Relief in Cross River State** to support the displaced and needy
5. **Disaster Relief here in the US** to continue to add value to our local US communities
6. **Partnership with and Support for ENA-USA Chapters** on community service projects

There's more to be done and the list above will grow because that's who we are as an organization and as a community! **Join us in Stamford, Connecticut from July 25-27 for our 16th Annual National Convention.** Let's enjoy 3 meaningful days to celebrate our heritage, focus on our families and continue to build out our legacy.

With warm regards,

Liz Ana Trimnell
