Dear ENA-USA Members & the Efik Community At-Large,

The National Executive and I are proud to convey to each of you that for the first time, our 2013 National Convention focused entirely on celebrating the progress and achievements of our Efik Youths. During the second day of the convention, the Youth Wing presented a "Command Performance" that included a Talent show, Efik Language 101, the crowning of Mr. and Ms. Efik USA. On Saturday, the YW leadership sponsored a Youth Forum & Networking and finally, during the evening Dinner/Fundraising Gala, each College Scholarship award recipient was introduced and recognized.

These College Scholarships were awarded to (9) nine deserving Youths in our community and (1) one award was given to a deserving youth in the larger minority community through the United Negro College Fund of Connecticut.

**On behalf of the ENA-USA Exco and our membership, we are very pleased to inform all of you that the College Scholarship checks, in the amount of \$1,000.00 each, were mailed out to the following recipients on August 28, 2013;**

Ms. Chelsea Henshaw  
Mr. Christopher Oyobio  
Ms. Cassandra Onela  
Mr. Maurice Eyo  
Ms. Jacqueline Onela  
Mr. Nicolas Archibong  
Ms. Lizann Robinson  
Ms. Ruth Ekpo  
Ms. Eme Henshaw

Once again, we congratulate all our honorees and wish them a successful 2013-14 academic year.

Finally, we congratulate the current Youth Wing Executive Committee for their outstanding convention planning. It is equally important to recognize the wonderful efforts of all our past YW Exco members, particularly the past Presidents who laid the foundation and building blocks for this current progressive wing of the ENA-USA.

Sincerely,

Chief (Prince) Paul O. Bassey-Duke  
National President  
ENA-USA
