

Happy Mother's Day from the Efik National Association

My Dear brothers and sisters,

On behalf of the Efik National Association I wish our Mothers a very Happy and wonderful Mothers Day. Mothers are the sweetest gifts from God to us. There is no way we can ever really thank our mothers for all they do for us nevertheless we must make it a habit to keep reminding ourselves of the various sacrifices they made while raising us. Mothers Day is the best time to say in words how much we love and care for them. For those of us still lucky to have our mothers around, make your Mother's Day bright by sending her your warmest and heartfelt messages.

For others whose mothers have passed on, I say blessed be all mothers who have come into our lives, whose kindness, care and love will remain with us forever. We pray that God almighty be with them and may their souls rest in perfect peace. Amen. Once again, I wish all our Mothers a Happy Mothers' day and God's abundant blessings now and always.

Have a wonderful Mothers Day
